2019 FIRE DISTRICT BUDGET MESSAGE & ANALYSIS

Woodbridge Township Fire District No.9

FISCAL YEAR: January 1, 2019 to December 31, 2019

Answer all questions below. Attach additional pages and schedules as needed.

1. Complete a brief statement on the 2019 proposed Annual Budget and make comparison to the 2017 adopted budget. Explain any variances over +/-10% for each line item. Explanations of variances should include a description of the reason for the increase/decrease in the budgeted line item, not just an indication of the amount and percent of the change. Attach any supporting documentation that will help to explain the reason for the increase/decrease in the budgeted line item.

The proposed budget adequately provides for the fire protection needs of the Fire District. The overall budget has increased from last year, because the district wants to refurbish there ladder truck for \$450,000. The amount to be raised by taxation will only increase by approximately \$18,500, because of utilities and salary increases. Investments this year will increase with the higher interest rates we are receiving from our savings accounts.

2. Complete a brief statement on the impact the proposed Annual Budget will have on the Amount to be Raised by Taxation to support the district budget and on the Restricted and Unrestricted Fund Balance(s). Explain increases or decreases in the tax rate and utilization of fund balances. If Unrestricted Fund Balance is reduced by more than 10%, explain the projected impact on the following year's budget.

The amount to be raised by taxation will increase by \$18,500. Additionally the restricted fund balance will decrease by \$450,000 to refurbish the ladder truck. The tax rate will stay the same as last year.

3. Include a statement explaining how the Fire District is complying with the Property Tax Levy Cap. The statement must explain reasons for exceeding the Levy Cap and identify the appropriations that caused the Fire District to exceed the Levy Cap, and how they are being addressed by a referendum.

The District's budget is under the levy cap and no waivers are needed.

4. If the Fire District plans to pass a Resolution for the Release of Restricted Fund Balance, explain the reason and purposes of the appropriation.

N/A

5. Complete a brief statement on the Annual Budget's proposed capital appropriations and payment methods, including debt service for the proposed budget year and for future years.

The District has no debt. We will be funding \$300,000 in this budget that was approved by the voters in 2017, to put in reserve for the purchase of a fire engine in the future.

6. If the proposed Annual Budget contains an amount for a Cash Deficit of the Preceding Year pursuant to N.J.S.A. 40A:14-78.6, then explain the reasons for the occurrence of the deficit.

N/A

7. Does the Annual Budget appropriate such sums as it may deem necessary for the purchase of first aid, ambulance, rescue, or other emergency vehicles, equipment, supplies and materials for use by a duly incorporated association, pursuant to N.J.S.A. 40A:14-85.1? If so, provide the organization's incorporated name and amounts.

No.

8. Complete the following based on the municipal assessor's latest information pursuant to N.J.S.A. 54:4-35:

| Total Assessed Valuation of District | \$542,179,100 | |
|---|---------------|--|
| Proposed Tax Rate per \$100 of Assessed Valuation | \$0.375 | |

9. Is the Fire District providing for a first year funding appropriation to establish a length of service award program (LOSAP) in this year's budget subject to public referendum thereof?

| | | 3 | | |
|----|---|-----|-----------------------------------|----|
| No | X | Yes | If yes, how much is appropriated? | \$ |

If the public question is defeated, is the Board of Commissioners aware that the budget must be amended to delete the LOSAP appropriation amount and that the Amount to be Raised by Taxation to Support the Budget must be reduced by a like amount?
