

2026-3

WHEREAS, all users of the communications system have agreed to share the cost of the maintenance agreement;

NOW, THEREFORE, in consideration of the mutual and joint obligations set forth herein, the TOWNSHIP and the fire companies that are a party to this agreement do hereby agree as follows:

1. The fire companies will each contribute their share of their annual communication system maintenance agreement in accordance with the payment schedule attached hereto as Exhibit A.
2. Each fire company shall have the following payment options:
 - a. Pay the requisite contribution in full on or before April 1, 2026.
 - b. Pay the requisite contribution in full on or before July 1, 2026.
 - c. Pay a portion of the requisite contribution on April 1, 2026, with the entire remaining balance to be paid by July 1, 2026.
3. Each fire company can elect their own payment option as set forth in paragraph 2 above, provided that all payments are made on or before July 1, 2026.
4. Each fire company shall remain responsible for the maintenance of the components of the communications system that are exclusively used by their company. The maintenance agreement referenced herein shall only provide coverage for the infrastructure of the main communications system and not the portions of the system used by each fire house.
5. As provided for in N.J.S.A. 40A:65-1 et seq., this Agreement shall take effect upon the adoption of an approving resolution by the Township and an approving resolution by each fire company. Upon proper execution and attestation of this Agreement, the proper officials of each of the parties are hereby authorized and directed to make and perform any and all acts necessary to carry out the purposes of this Agreement.
6. This Agreement shall expire on September 30, 2026.

IN WITNESS WHEREOF, the parties hereto shall cause this Agreement to be executed by their proper corporate officials and their proper corporate seals affixed this day and year written above.

COLONIA FIRE DEPARTMENT

250 Inman Avenue
Colonia, NJ 07067

WHEREAS, the TOWNSHIP in 2009 funded the installation of a new regional communications system to replace the outdated radio systems used for emergency communications by the Township Police Department, its various fire houses and emergency medical service providers, the Department of Public Works, and the Board of Education, at a cost of approximately \$10 million; and

WHEREAS, the warranty that was previously in place for the communications system has expired; and

WHEREAS, the TOWNSHIP has negotiated a maintenance agreement with Motorola through 2024 at a fixed annual cost to cover the infrastructure of the radio communications system for repairs, preventative maintenance, and biennial upgrades; and
