

**ISELIN FIRE DISTRICT NO. 9 & ISELIN FIRE DISTRICT NO. 11
WOODBIDGE TOWNSHIP, MIDDLESEX COUNTY, NEW JERSEY**

RESOLUTION NO. 2026-04

RESOLUTION AUTHORIZING AN AGREEMENT BETWEEN WOODBRIDGE TOWNSHIP FIRE DISTRICT 9 AND WOODBRIDGE TOWNSHIP FIRE DISTRICT 11 FOR EXPANDING AUTOMATIC AID DURING EMERGENCY RESPONSE

WHEREAS, the Board of Fire Commissioners of Iselin Fire District No. 9, desires to enter into an agreement with the Board of Fire Commissioners of Iselin Fire District No. 11 to expand automatic aid responses with the sharing of firefighters for emergency response;

WHEREAS, when a call for automatic aid is dispatched in either Fire District 9 or Fire District 11, firefighters that reside in the opposite fire district than they be members of, may be closer to a station in that Fire District. Responding from a closer station can result in more manpower arriving on location with faster response times;

WHEREAS, when a fire call is dispatched for Iselin 9 & 11 and the incident is in District 9, members of Iselin District 11 may respond to a District 9 fire station and respond with that apparatus, cutting that members response time to an emergency scene;

WHEREAS, when a fire call is dispatched for Iselin 11 & 9 and the incident is in District 11, members of Iselin District 9 may respond to a District 11 fire station and respond with that apparatus, cutting that members response time to an emergency scene;

WHEREAS, when a firefighter is dispatched to an emergency, they are covered under their fire district's workers compensation insurance policy. Additionally, this agreement shall further allow members of the opposite fire district to be trained as apparatus operators of the opposite fire district and then covered under that fire district's insurance policy once training is complete. The Board has reviewed and finds the proposed agreement to be justified and in the best interest of both fire districts;

NOW, THEREFORE, BE IT RESOLVED, by the Board of Fire Commissioners of Iselin Fire District No. 9, in the Township of Woodbridge, County of Middlesex, State of New Jersey, to enter into this agreement with the Board of Fire Commissioners of Iselin Fire District 11.
