Dear MARY J WERTZ

Congratulations on being certified in the title indicated above. I would like to commend you on providing a valuable service to your community. The division staff joins me in congratulating you on having demonstrated your competency in this specialty.

Many New Jersey certifications do not have a lapse date; however, others do have a three-year certification cycle, which includes continuing education renewal requirements. Please check your certificate to determine if there is a lapse date associated with your certification. You are invited to register online for Division of Fire Safety training programs on various topics. Please review the Spring and Fall semester training brochures at: <http://www.nj.gov/dca/divisions/dfs/> or <http://www.keanfiresafety.com/>.

Again, I would like to extend my congratulations to you on your accomplishment and trust you will place the above certification on your wall with justifiable pride.

Please do not hesitate to contact the Division of Fire Safety, Office of Training and Certification at (609) 777-3552 so we may further assist you.

Sincerely,

Jacquelyn A. Suárez
